

# Win A Luxury Hotel Stay This Winter

10th November 2014, 00:00

Enjoy the crisp outdoors and find out how ATS Euromaster can help you get your car ready for those winter journeys.

The heating's going on, we're thinking about Christmas and the big coats are out of the wardrobe. Winter is here, so make sure your car's ready for the cold and icy conditions, just as much as you are.

Did you know that **ATS Euromaster** offer a free service to check the health of your vehicle this winter? They'll check your tyres, battery and brakes and also make sure all your bulbs are bright too so you'll be safe and be seen during the darker evenings.

Simply call into an ATS Euromaster centre where you'll find expertise, honesty and outstanding customer care from their dedicated centre staff, ensuring your vehicle is safe to be on the road through whatever weather we get this winter. **Find out more below.**

And now with the darker nights and colder weather well and truly set in we want to give you a luxury escape with one night for two at your nearest Handpicked or Q Hotel. You'll stay in a double or twin room with en suite, enjoy a delicious dinner and have a great night's sleep before waking up to breakfast the next

morning.

Just answer the question below before 23.59 on Sunday 23rd November for your chance to win.
